# FAN-G-TASTIC DIY

## HALLOWEEN MASKS

### STEPS

1. Colour in your mask.
2. Carefully cut around your mask (ask an adult for help).
3. Cut holes where the eyes are.
4. Use a hole puncher for the elastic holes.
5. Thread elastic/string through the holes.
6. Get your scare on!

Be sure to take a photo of you with your mask on & share it with us! Tag @smiggle\_ and use the hashtag #smigglespooktacular
